

Log on to **VolunteerUp!** to Sign Up for Our 2010 Builds

This year for the first time, you can sign up to work on line. It's simple. Here's how.

Go to www.habitatcapecod.org and click on the icon for **VolunteerUp!**

Register as a **New Volunteer** and then fill in the required information in **My Info**. There, you can select committees and activities of interest to you and check "Interested" (not skilled, but would like to learn), "Some Ability" or "Skilled." You can change these at any time. You can also check teams that you are already associated with.

Read the **Broadcast Message** that follows and click on "I have read this message."

The **calendar** will pop up. Select date(s) you wish to volunteer and click on "Sign Up." Don't forget to click on "Next Week" or "Next Month" to find the dates and sites you are interested in, as some builds will begin later than others. You

will be able to sign up for dates that are approximately 6-8 weeks out. If the dates you wish to work are full, you can put your name on the Waiting List. If an opportunity comes up, you will receive an email. Once you've checked off the activity you want to do, click "Sign Up," A page will come up that allows you to print the page or have an email sent to you with all the information you will need.

Log off.

That's it! You are scheduled to work. We'll send you a reminder note a few days in advance.
